## PROFILE

---

I am a passionate and dedicated Computer Science student with a strong interest in software development, web technologies, and problem-solving. I possess a solid foundation in programming languages such as Java, C++, and Python, along with hands-on experience in web development. Eager to continuously learn and adapt to new technologies, I am looking forward to applying my skills and knowledge to real-world projects and contributing effectively to organizational growth. My goal is to build scalable, efficient, and user-friendly applications while enhancing my expertise in the tech industry.
